These are unofficial activities where Club members can meet, take photographs and chat. Apart from the meeting location nothing is organised. In case of a medical emergency you should bring a contact phone number along.

* Location which can be used with the What3Words app for computers, phones and tablets, some sat navs and gps devices or on line at What3Words.com. There are also on line web sites which will convert the three word to longitude/latitude and OS map references.

** Try and arrive on time and look for other club members at the location. 15 minutes later and they may be gone.
