

## **BIDEFORD DISTRICT PHOTOGRAPHY GROUP**

The group has had an evening trip to Fremington Quay a very pleasant evening yielded a number of excellent shots. Although in quite a small area there were many incidents of very similar images, illustrating the need for considerable creativity to produce something individualistic and different.

At the subsequent members evening we able to view and enjoy the images with supportive advice on alternative crops and processing treatments and of course considerable friendly banter.

Our next Tuesday evening trip will be to Torrington meeting up on the Old Bowling Green,

While our next away day trip will be to Stover Country Park on the 25<sup>th</sup> June.

Anyone wishing to come along is welcome, please come over and make yourself known to one of the members – lots of cameras will be a bit of a giveaway as to our identify. We really are a friendly bunch so do come and have a chat.
