

BIDEFORD DISTRICT PHOTOGRAPHY GROUP

The group has had an evening trip to Torrington on a very pleasant if grey evening which yielded a number of excellent shots. There was interest to be found even in the graveyard with Sister Nivedita's impressive memorial. Donated in 2019 on the 150th anniversary of her birth by the government of West Bengal. Also, the unusual war memorial which shows "Royal Army" which is not the normal form because only certain regiments and corps are called "Royal" the title being considered an award much like a battle honour.

At the subsequent members evening we able to view and enjoy the images and the various creative efforts of members with long exposures, panning and intentional camera movement. There was considerable supportive advice on alternative crops and processing treatments and of course considerable friendly banter.

Our next away day trip will be to Stover Country Park on the 25th June, which promises to be excellent with lots of wildlife along the waterways. While we are still close enough to spring to see cygnets, ducklings, alongside coot and moorhen chicks.

Anyone wishing to come along is welcome, please come over and make yourself known to one of the members – lots of cameras will be a bit of a giveaway as to our identify. We really are a friendly bunch so do come and have a chat.
